DARDANIAN

The Class Of 1979
Presents Volume XIV
Dardanian

Tulpehocken High School
R.D. 2, Bernville, Pa.

For the love of life we carry on
Through the smiles and the tears
Past the sunsets and the dawns
Among the failures and the fears

We grasp at starry dreams
And search to create new trust
When we lose the shimmering beams
In this life's daily dust

The days here we have shared
And we have followed one road
We learned, we taught, we cared
Rising to carry life's load

We've reached out as we passed
And perhaps we've left a mark
But now the road becomes a path
With spreading ways to send us apart

We must reach for a new choice
And learn to follow a new trail
Echo beyond a changing voice
While over lonely miles we sail

And we leave behind these last four years
Filled with memories and fragments of love
That echo of dreams and hopes and fears
Which now melt to the past in a smile from above

And the promises we made
The friendships we knew
All these will never fade
Encased in that smile so true

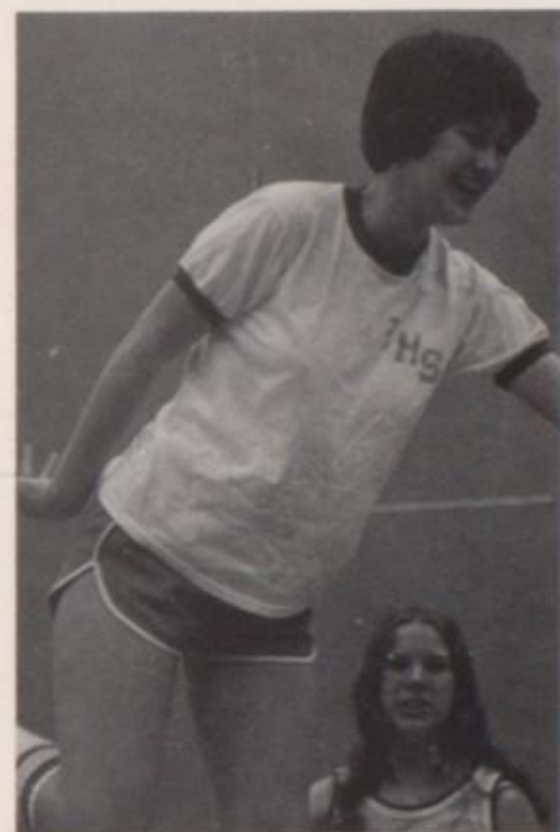

Now each sets out on his magical quest
That will lead us far away
Searching through many trials and tests
For the promised sun of day

So we ask you for a prayer
For happiness, joy, and love
And for a gift of life to share
What dreams are really made of

A fog, our future
What does it hold
What does it hide

Today we have seen
joys, laughter, fear, defeat
But we also know
And we learn
Perhaps we even teach

And that will carry us through
until we find the spot
where the fog is gone

Where the way ahead
is clear and sure
and life has a perfect glow

We Have Followed, Now We Will Lead

Farewell Now, My Friends

Our love for each other
has been quite dear to us.
True friends we have been
And always will be.
We're leaving each other
And going our ways,
Perhaps we will meet
In the future someday.
We've left each other with memories
Of good times we've had,
To treasure forever
And make us feel glad.
Good luck to us all
In all that we may do,
May all of life's pleasures
Come our way, too.
Farewell now, my friends,
And please may we find,
Some thoughts of each other
Always impressed on our minds.

Anon.

CURRICULA

"In Trying
Is Learning,
In Learning
Is Knowing."

Administration and School Board

Mrs. Janet Himmelberger keeps attendance records up-to-date and takes care of purchases and deposits.

Mrs. Jean Polk takes care of payroll, accounts payable and receivable, personnel records and board agendas.

Mr. Harold Matthew, principal, works with both students and faculty, to make sure THS runs smoothly.

Mrs. Sandra Keeney takes care of the bookkeeping, transportation and census reports.

The administration that is closest to the students includes Mr. Matthew, Miss Witman and the secretaries. Each secretary has a specific job. Both Mr. Matthew and the secretaries help the student with problems which arise. Their jobs are not easy but they enjoy doing them.

Mrs. Ilene Batz is secretary in the main office. One of her jobs is typing for Mr. Matthew.

Take me - - I'm yours!

SEATED: Mr. Earl Schaeffer, Secretary; Mr. Jay Brown, President; Mr. Richard Ruth, V. President; Mr. Gerald Seiler, Treasurer. STANDING: Mr. Roy Hetrick, Mr. Spencer Watts, Mr. Orville Stauffer, Mr. Warren Kline, Mr. David Batdorf, Solicitor.

Mr. Earl Koenig is Superintendent. He has many responsibilities which include supervising and coordinating all aspects of the school program and to implement board policies and directives.

The School Board's responsibilities are to follow the Pennsylvania School Code, the mandates and constraints of federal and state law and regulations as well as the adopted budget.

Mr. Leonard Wearne helps with the curriculum and schedules in-service programs for the teachers.

Guidance: Guiding Our Future

Helping students plan for their future careers is the main goal of the guidance department. Miss Witman and Mr. Harner aid students in search of their future career.

And now for the food!

Mr. Harner keeps up-to-date on college information.

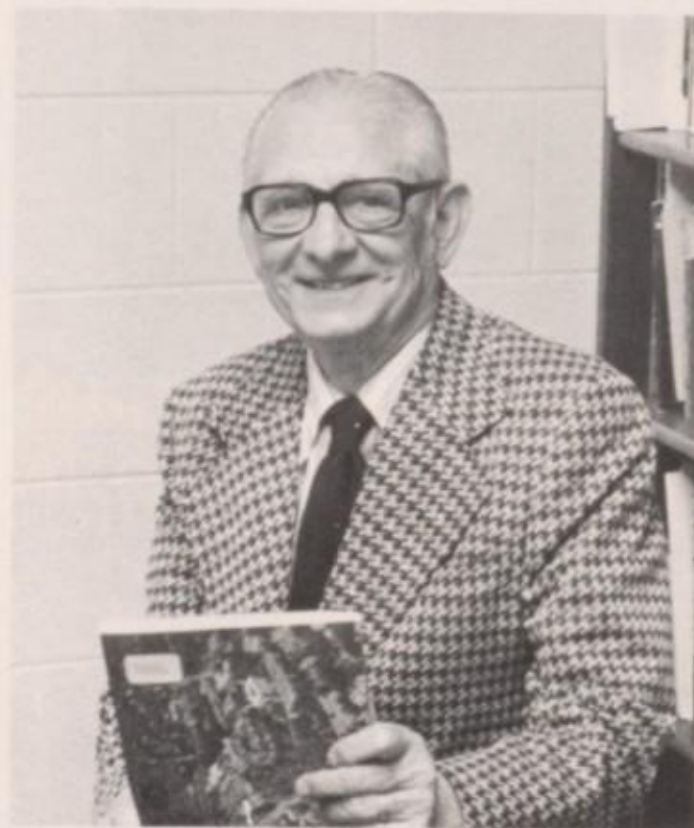

Miss Brenda Witman counsels students about career choices, applying for jobs and school problems. She advises student council. Some of her hobbies are tennis, hiking, and traveling.

Now, Carol, what makes you think you're another Albert Einstein?

Are you sure that is what you want to do?

Mr. Robert Harner is employed to work with Mr. Matthew and Miss Witman in the guidance area. His hobbies are sports, traveling, and reading.

Languages: Speaking New Words

Miss Mary Ketner teaches German. She advises the National Honor Society. Her hobbies include reading and sewing.

The study of German and Latin helps students to understand spoken language and to comprehend stories and conversations. Many students enjoy the creative bulletin boards which give an insight to German culture and customs.

Mrs. Kline is doing her homework.

Get to work!

Don't stare at me like that!!

Mrs. Pearl Kline teaches Latin and German. She advises the DARDANIAN. Her hobbies include crocheting, knitting, and genealogical study.

English: A Way of Learning

Mrs. Erna Deisher teaches English. She also advises the National Honor Society. Her hobbies include gardening and sewing. Her favorite pastime is reading.

It looks like this class LOVES English lit.

Main objectives of the English course are to improve skills. The teachers also try to show the students an interest in language study, literature and composition. Not only does the English course cover the basics but also includes the origin and history of the English language.

Mr. John Feaser teaches ninth and tenth grade English. His main activity is advising the National Honor Society. His hobbies are family camping and writing.

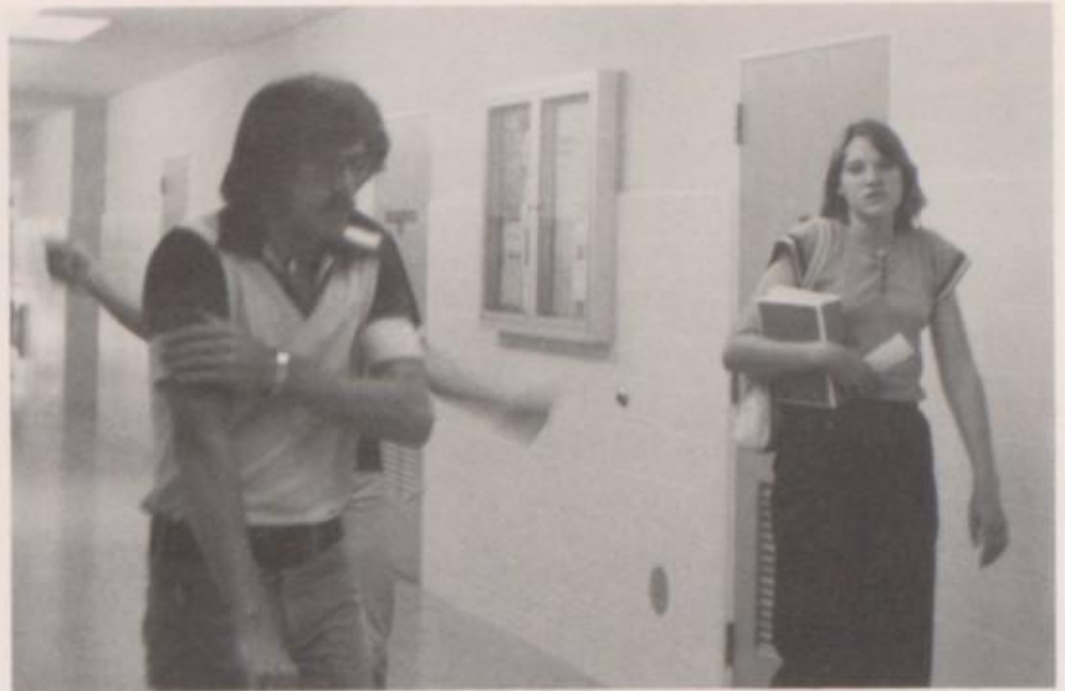

Surprise !

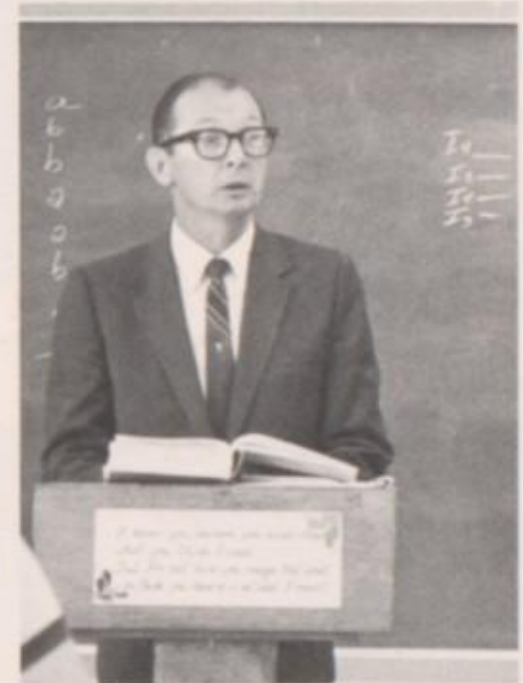

and Communicating

Mr. Philip Hepner teaches English. He coaches the Cross Country team and the Track team. His hobbies are hunting, cross country skiing, canoeing, bicycling, tennis, reading, and golf.

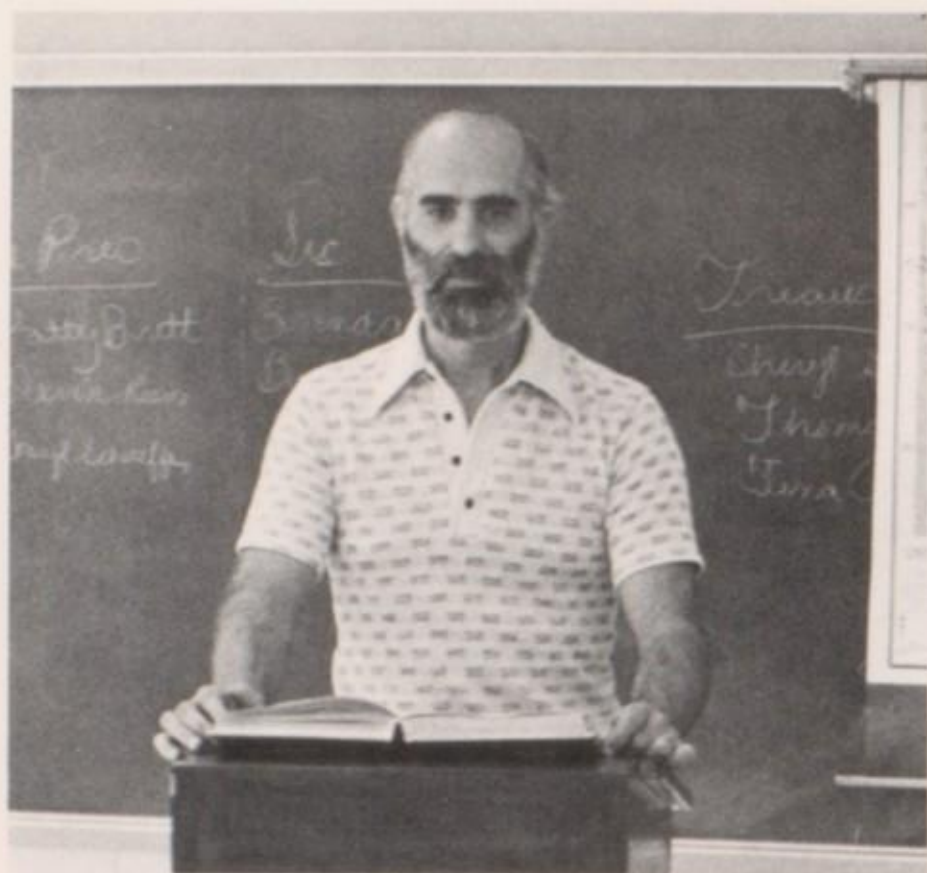

Sandy, why did you hit Mr. Hepner so hard?

Mr. Sterling Hoffman teaches the senior class English. He advises the DARDANIAN. His hobbies are gardening, woodworking, and reading. His favorite pastime is correcting misspellings and grammatical errors.

History: A Glance

Some of Mr. Samuel Schwartz's, our American History and Civics teacher, hobbies are backpacking and biking. His favorite pastime is woodworking.

Mr. Paul Wentling teaches Civics and World Cultures and coaches Varsity Soccer. His hobbies are photography and hunting, and one of his pastimes is sports.

Into the Past

Mr. Michael Scarpignato teaches P.O.D. and Sociology. His hobbies are Horticulture and fishing, and he enjoys traveling.

The objective of this year's Social Studies program is to better acquaint our future citizens with some of the problems of the times: inflation, criminal justice, poverty, and consumer education. These issues are raised so that the students are provided with the tools they will need to understand the society in which they live.

This class is SO exciting.

Mrs. Rosemary Severs teaches Civics and World Cultures. She enjoys yoga, swimming and jogging.

Mathematics: Can

Mr. Edward Crim

Mr. Edward Crim is very involved in teaching General Math and Trigonometry. He also coaches our Spring Track team as well as our Winter Track team. His favorite hobby is hunting.

Mr. Larry Rentschler teaches Algebra I and II, Physics, General Math, and Advanced Math. He is an advisor for Camera Club. His hobbies are photography and model railroading.

Mr. Larry Rentschler

"Goofing off in Physics AGAIN, Sandy?"

"These Tonka Trucks are built tough!"

The main Mathematical objectives of our dedicated teachers are to help their students to better understand the basic structure of Algebra, to be able to apply ordinary mathematics to ordinary life situations, and to provide the necessary foundation for the study of Calculus, Trigonometry, and Geometry.

Be Fun!

"Grin and bear it!"

Mr. Ronald Graeff

Mr. Ronald Graeff teaches Geometry, General Math, and Business Math. His hobbies include hunting, motorcycling, tennis and golf. His favorite pastime is working on his property at home.

"4 1/2 1/4"

Mrs. Carol Leininger teaches Algebra I, Geometry, General Math, and Business Math. She is scorekeeper for the Boy's Varsity Basketball team and the Soccer team. Her hobbies include quilting, reading, sewing, needle craft and tennis.

Mrs. Carol Leininger

Science: The Study and

Mr. Frederick Ullrich teaches Biology and Advanced Bio-Chemistry. Besides coaching Boys' Tennis and advising the ski club, he is also the play director.

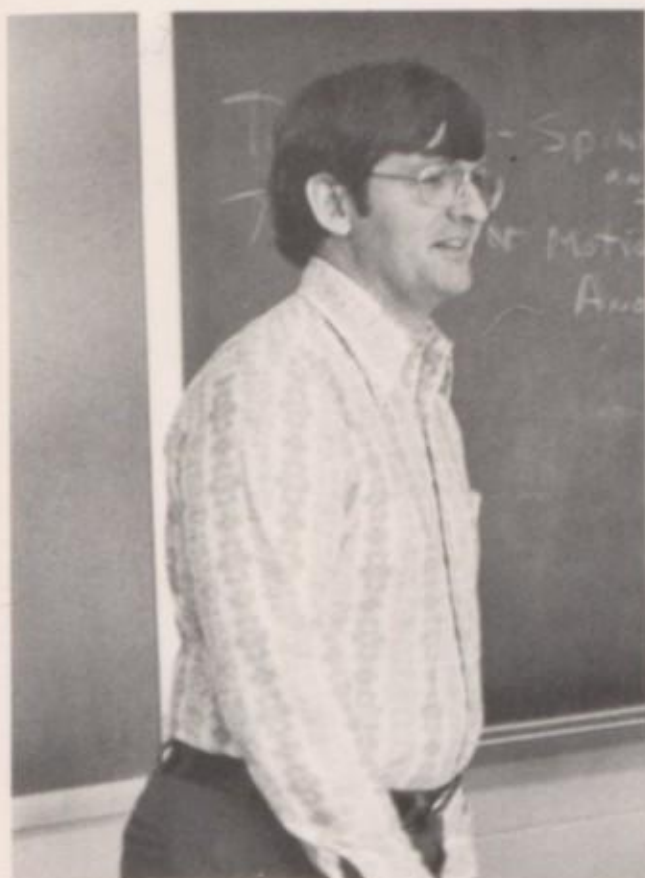

What in the world . . .

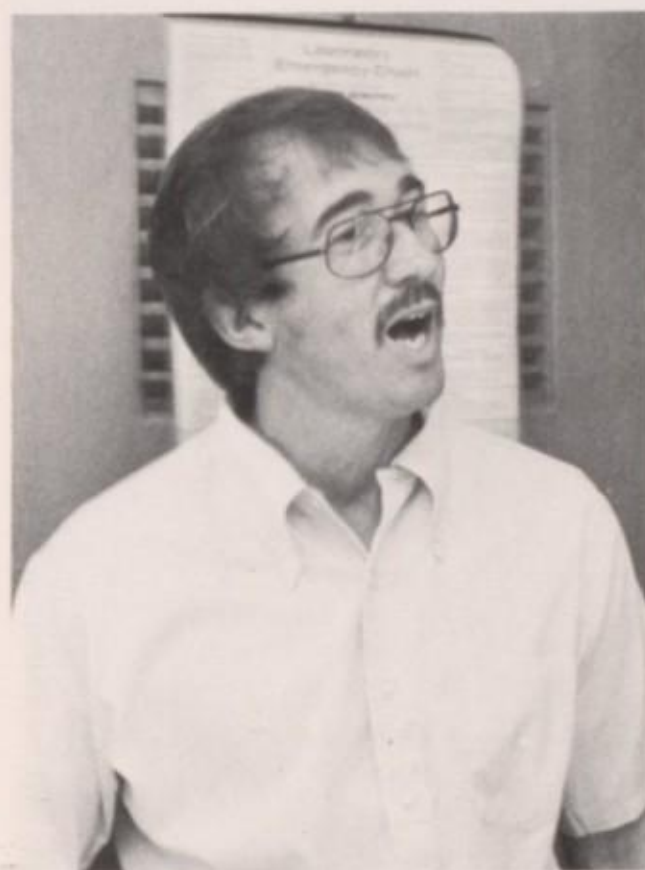

The main objectives of our science department are for the students to understand the simple facts about this planet, its atmosphere and its relation to other bodies in the universe; in addition to the study of nature, including environment and conservation.

Exploration of Worlds

Mr. Brian Ferrence teaches Earth Science and Physical Science. His favorite pastime is traveling, but he also enjoys canoeing and hunting.

Mr. Carl Winter teaches Chemistry and Earth Science. He enjoys coaching the Girls' Tennis team. A few of his hobbies are sailing and jogging.

Business Education:

Miss Ann Chesonis teaches Typing I, Shorthand I, Office Practice, Filing, and Business English. She advises the student store and is also the Girls' Softball coach.

You don't say! ?

Preparing for Tomorrow

Miss Mildred Kline teaches Accounting I & II, Typing I & II, and Business English. She advises Business Club.

Miss Patricia Wilhelm teaches Typing I & II, General Business, Business Economics, Business English, and Shorthand II. She advises Business Club and Cheer-leading.

In Business Education, the main goal is to prepare the student for a vocation concerning business related jobs. In the senior year, co-op provides on the job training in each specific field.

Work studiously.

Do you understand?

Agriculture and Horticulture:

Agriculture is the process of learning to operate your own farm. Within this course you learn how to handle a tractor and other equipment safely, care for dairy herd, keep agriculture business records, and to process grains and other farm products. The students also learn many basic facts about electricity.

Horticulture is a twelfth grade elective which provides the students with information on the caring and growing of various plants.

Mr. Michael Orendo teaches Horticulture classes and Farm Mechanics classes. He also advises the FFA club. Golf, hunting and fishing, and woodworking are some of his hobbies. His favorite is flying.

Mike works very intently.

Pay attention, you guys!!

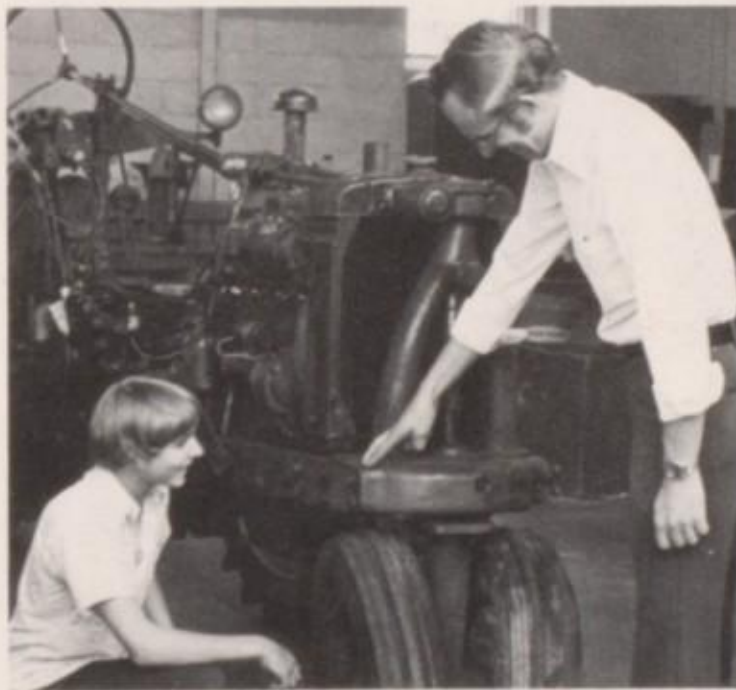

Learning and Growing

This year's group of Green Thumbs.

Mr. Barry Kellner teaches Biology, Earth Science, Shop, and Agriculture. He also advises the FFA. His hobbies are woodworking and gardening. In his spare time he likes to bowl, go boating, and relax.

Mr. Kellner takes care in selecting THE PROPER TOOL.

Industrial Arts:

Industrial arts' main objectives are to acquaint students with the proper use, care, and safety of hand and basic power tools. During the year the students learn about the practical experience in working with wood, plastics, metals, electricity and electronics, mechanical and architectural drawing, and reading blueprints and plans.

Mr. William Scheirer teaches industrial arts. This year courses in Wood Carving, Sheet Metal, Home Repairs, Foundry, Power Mechanics, Advanced Woodworking, and Electricity are being offered. His hobbies are fishing, dog sledding, collecting antiques and repairing cars.

Cleaning a casting is an easy task for Bruce Emerick.

Mr. Scheirer instructs Tim Kreitz on how to make a butt plate for a gun.

What are we waiting for?

Is Bruce Umbenhauer busy carving an eagle out of wood?

Builders of Tomorrow

Chuck Paulson works hard while working on his wood project.

Mr. Okuniewski teaches Introduction to Industrial Arts including Industrial Arts, Home Repair, and Electricity. Some of his hobbies are photography, woodworking, and leatherworking. His favorite pastime is skiing.

Tom Wise sharpens a tool so he can make a very precise cut.

Is he carving or sleeping?

Keith Moyer is watching himself very carefully as he is planing a piece of wood.

Dennis Andrews and Greg Donough are jointing an edge.

Home Economics:

Home Economics provides practical experience in child development, family relations and managing a household. Students are also taught cooking, sewing, and creative crafts.

In spring a children's nursery was set up. This helped prepare the girls involved in child care.

The happy homemaker!

Mrs. Betty Martin teaches home economics students in grades nine through twelve and advises the FHA Club. She enjoys doing crafts and playing tennis.

Building Future Homes

A helping hand?

Mrs. Regina Fromuth teaches Child Development, Home Management, and Home Ec. She enjoys cooking, sports and traveling.

Mrs. Beverly Blatt teaches Home Ec. in grades nine through twelve. She enjoys seeing her students develop self-confidence. She also enjoys traveling.

D.O.E.: On the Job Training

Diversified Occupational Education is a new curriculum this year set up to give those students who wanted to go to Vo-Tech, but did not get in a chance to work on a training situation. This year a number of qualified students attended regular classes during the morning part of the day and worked in the afternoon. The classes attended were the normally scheduled subjects including one period of D.O.E. theory. The work training was in cooperation with a community employer capable of offering the desired training opportunity: farm work, store clerks, and fast-food preparation.

Below: Mrs. Dietz, after a long hard day, on her way home.

Mrs. Joanne Dietz teaches Diversified Occupational Education (D.O.E.) theory. She is the co-ordinator for the work-experience students from Tulpehocken, Schuylkill Valley, and Hamburg areas. Two of her hobbies include skiing and arts and crafts. Her favorite pastime is cooking.

D.O.E. theory classes are always interesting.

Vo-Tech: Replacing Books With

New Hairdo?

To many of our students, attending Vo-Tech means getting up earlier than everyone else. It also means learning the trade of your choice whether it be plumbing or cosmetology; electrical engineering or auto-body. It means taking a long bus ride back to the school in the afternoon for English, Social Studies and Physical Education classes. So you see, Vo-Tech means "hard work."

Work Experience in Specialized Trades

All welders take pride in their work.

Kim Dreisbach is a Health Assistant.

Communications media is a growing field.

Electricians have a very complex and demanding job.

Architectural drafting requires much precision and care.

Music: Adding Rhythm to our Lives

Mr. Theodore Weaver instructs music students and directs our band and pep band. His interest is raising exotic birds and various other animals. He spends extra time hunting and hiking.

"Let's play that again 1 and 2 . . ."

Both the band and chorus have a spring and winter concert to prepare for this year. Each performance brings enjoyment to the audience.

Miss Seiple examines the music.

Practice makes perfect!

Miss Sherry Seiple teaches ninth grade music and directs our chorus and Sedecim. Her hobbies are sewing and tennis. She spends her extra time playing the piano.

"Deck the halls . . ."

Library: Two at a Table

A peaceful moment in the day.

The library provides the student body with a calm atmosphere to study and a place to find accumulative information in various categories from A to Z.

Mr. Robert Bentz is our librarian at T.H.S. He advises yearbook and Library Club. His hobby is photography, and he spends his leisure time hiking, biking, or reading.

Art: Making the World More Beautiful

Mrs. Janet Balthaser teaches art and crafting courses. Her interests include weaving, macrame, working with clay, and growing unusual plants in her garden. In her scarce leisure time she likes to travel, go camping, or read a good book.

Art class allows a place for students to express their feelings through the works they create. Together, Mrs. Balthaser and the art department, supply our school with the ability and materials to provide props for plays and decorations for dances.

Driver Education: Instructs Safe Driving

Mr. Ronald Price teaches Driver Education and coaches our Varsity Baseball team. He enjoys sports of all kinds.

In Driver Education the students are taught both good classroom and roadwork skills. In addition, they are taught skills for safe and efficient driving in all conditions. While in the classroom they learn how a motor vehicle operates and learn highway markings, traffic signs and signals.

"What do I do now?" . . .

Health: Proper Procedure of First-Aid

Health offers the students good skills of first-aid so they can help someone in the time of need. They learn the body systems and the dangers of drugs, smoking, and alcohol. The students learn to recognize and care for common diseases and to develop healthful family attitudes.

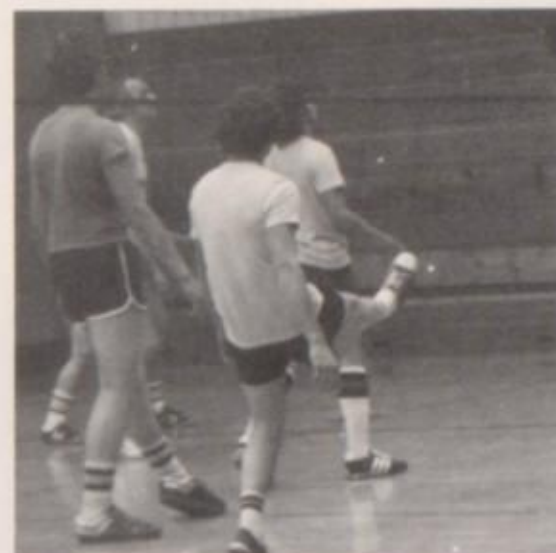

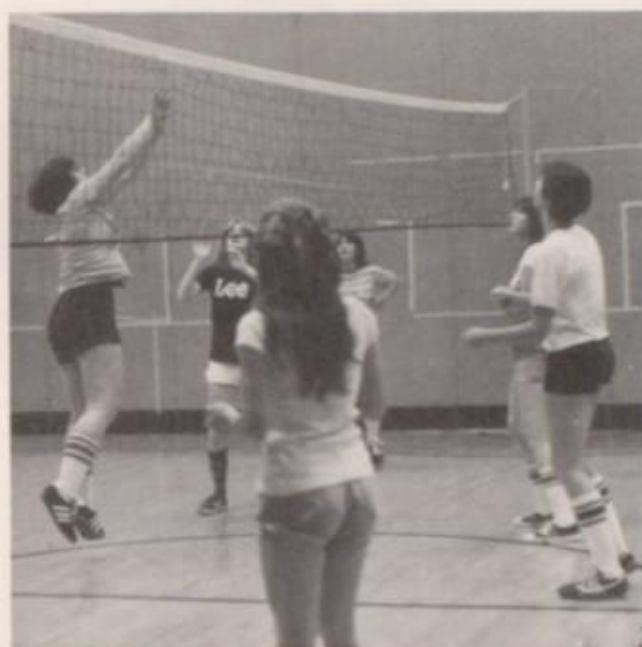

Physical Education: Aids in Keeping Fit

Miss Mary Mohn teaches Health and Girls' Physical Education. She coaches our Varsity Hockey team and enjoys sports, reading, and tennis.

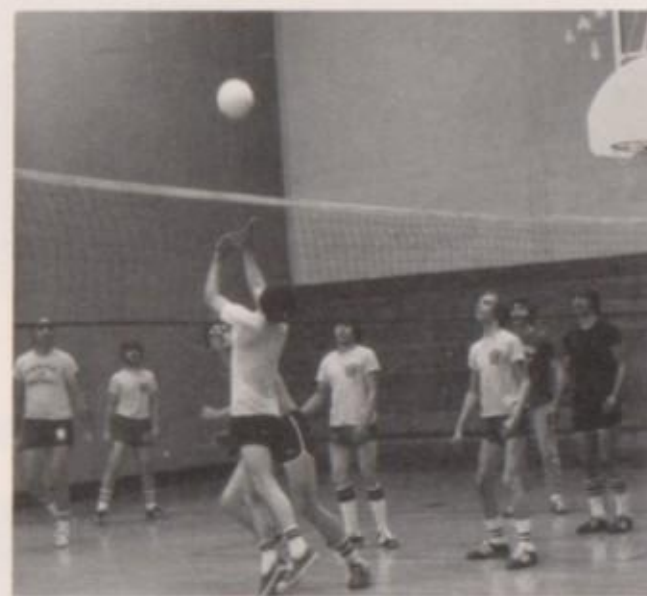

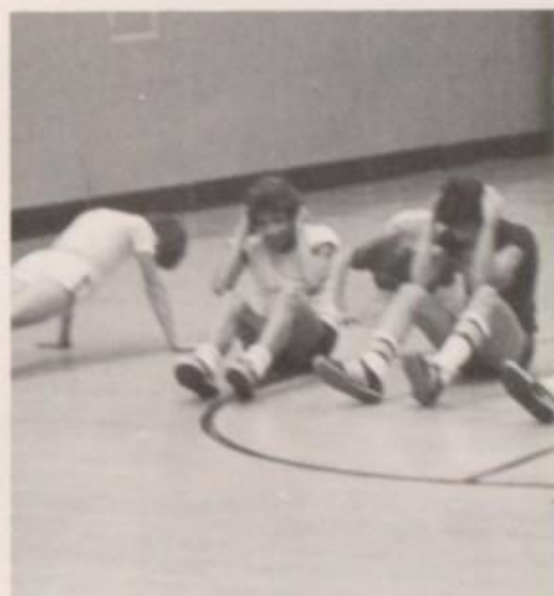

Physical Education helps to keep everybody in good physical condition and gives the students a change of pace from being in the classroom. In addition, the students learn new and exciting games to play indoors and outdoors.

Tip-toe through the tulips.

Mr. Carl Wolf teaches Health and Boys' Physical Education. He is the advisor of the gym leaders and coaches our Soccer team. He enjoys jogging, bicycle riding, and outdoor activities.

The FFA is a national organization of students enrolled in vocational agriculture and agribusiness in 50 states and Puerto Rico. Organized in November, 1928, the FFA is an integral part of the curriculum of agriculture departments in public schools. Through active participation in the FFA, members learn by taking part in and conducting meetings, speaking in public, participating in contests based on occupational skills, earning awards and recognition and becoming involved in cooperative efforts and community improvement. This year D. Harnish and G. Sattazahn received the State Farmer Degree awarded to 2% of the state membership.

Christmas Dance

This year's Christmas dance was sponsored by the Senior Class, who made refreshments and winter scenery. A snow queen was selected, and "Olde Spice" provided entertainment.

Wanda Stamm was selected as Snow Queen.

Tulpehocken's Junior Miss

Tulpehocken's Junior Miss, Elaine Trautman and runner-up, Vicki Himmelberger.

Our beautiful Junior Miss for 1978.

Our three contenders for the Junior Miss competition were Elaine Trautman, Vicki Himmelberger, and Kris Gilg. After a tough interview Elaine was selected as our Junior Miss representative.

The theme of Berks County's Junior Miss Pageant was "The Fifties". For her talent presentation Elaine played "Hey, Jude" on her clarinet.

Elaine has gained many new friends, beautiful memories, and much self-satisfaction through her participation in this annual event.

This year the Junior Class presented two Ghost stories; "The Monkey's Paw" and "The Masque of the Red Death". The first play centers around the horrible consequences which always result from the use of a monkey's paw, a charm created to give three wishes to its owner.

The second play depicts the fall of the evil Prince Prospero, who sealed himself and his court in a castle to escape the plague of the Red Death.

Senior Class Play:

Our team began this season with a strong nucleus of Juniors and Seniors, and our backfield was particularly strong with seven returning lettermen.

They began with victories in the first five contests, including first place in the Norlebo Tournament. The highlight of the tournament was the 1-0 defeat of Fleetwood, their only loss suffered during the season. Our other victories included eleven shutouts.

After winning the Berks Western Division, we met again with Fleetwood for the County Championship, but were defeated 6-4, the highest scoring playoff game in County history. We were then knocked out of District III competition by a loss to Lancaster.

Dale Moyer was placed on the All-County team while Brad Benfer, Rich Frantz, Dale Moyer, and Jeff Kline were chosen for the Division All-Stars.

Coach McCollam.

This year the junior varsity soccer team had a record of eight wins, two losses, and four ties. The team scored twenty-three goals and gave up only seven goals in fourteen games. Leading scorers for the J.V. were Terri Sonon, Mike Frantz, and Kevin Krause. The J.V.'s all contributed to the success of this season working hard and logging a lot of mileage running.

Cap., Brad Benfer, Dale Moyer, and Coach Behler.

This year's team has shown signs of improvement over last year's 0-20 season. The players show a great desire for winning, but our inexperience proves to be our downfall. Turnovers and inexperience against varsity pressure seem to be the keys. As the season progresses, we should gain more confidence in ourselves and be able to handle pressure situations. The season's record will depend on how fast we mature as varsity players.

Senior, Dale Moyer.

This year's JV team began with a good mixture of sophomores and freshmen. They showed great promise early in the season. As the season progressed, some players showed their improvement by advancing to the varsity level. This forced many freshman to see a great deal of action. They played well, but lost some very disappointing games. Overall, the season was one of building and learning, and the experience gained should be very helpful in the years ahead.

Lisa Ziegler with the shot.

Verine, hoping to sink a basket, concentrates on her shot.

This year the girls' basketball team under their new coach, Ms. Kochera, had a hard-working season. Even though this year's team had height and ability, the victories were hard to come by because of the tough competition. Regardless of the few victories they captured, the girls enjoyed a high level of team spirit and had much fun throughout the season. Better luck next year, girls!

Dawn reaches high above the other girls to take her shot.

The "mean" team poses for a picture.

Mary practices her defense on Shelli.

Tall Lisa Ziegler easily wins the tapoff.

"Is that really necessary?"

The staff would like to express their sincere appreciation to the yearbook advisors whose patience and understanding helped us through the frantic deadlines: Mr. Bentz for his loyalty and understanding about our harmless jokes; Mrs. Kline for her gentleness and calm nature; and Mr. Hoffman for his strength and guiding hand. We also wish to thank Mr. Robert Keiffer and Mr. William Uhler for their dependability and willingness to assist at all times.

The editors would like to thank those dedicated staff members who overlooked differences of opinion and joined together for that persistent goal to meeting the deadlines. Special thanks go to Cindy Boyer for her extreme loyalty and dependability to the yearbook caused by her countless hours of work in the darkroom. Also to Lisa Keeney for her beautiful poems.

The Class of '79 thanks the faculty, administration, and fellow classmates for our most enjoyable school years. We have followed a rocky path, through sometimes dense fog, but now for most of us the fog has cleared, and we are moving ahead following a rock-free road to the future and what it holds for us. Thank you, THS, for some of the best years of our lives!
